Heartwing

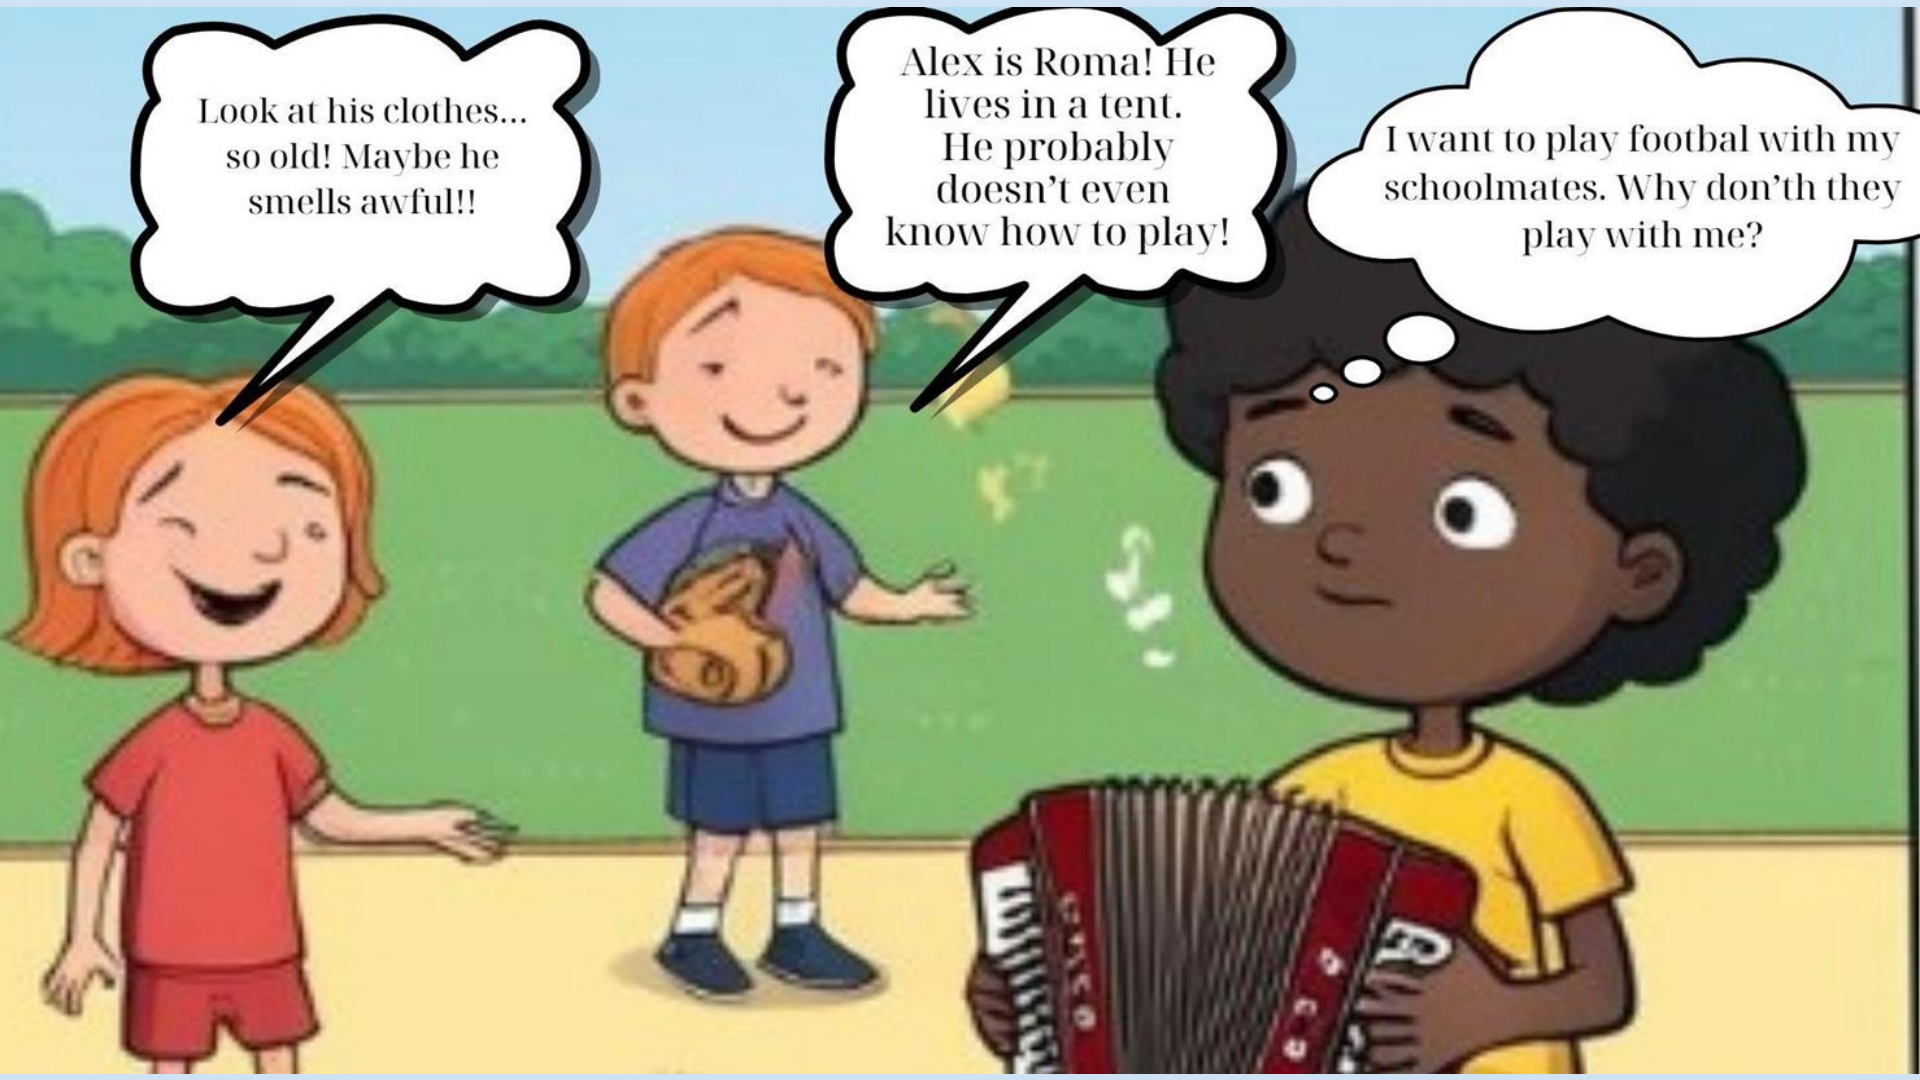

Powers:

- His music makes people feel what others feel.
- One look in his eyes reveals a person's true worth beyond appearances.
- He flies swiftly to places where injustice prevails.

Costume:

- He has vibrant, multicolored wings that shimmer with every note he plays.
- He carries a magical guitar with melodies that break down prejudices and open hearts to understanding.

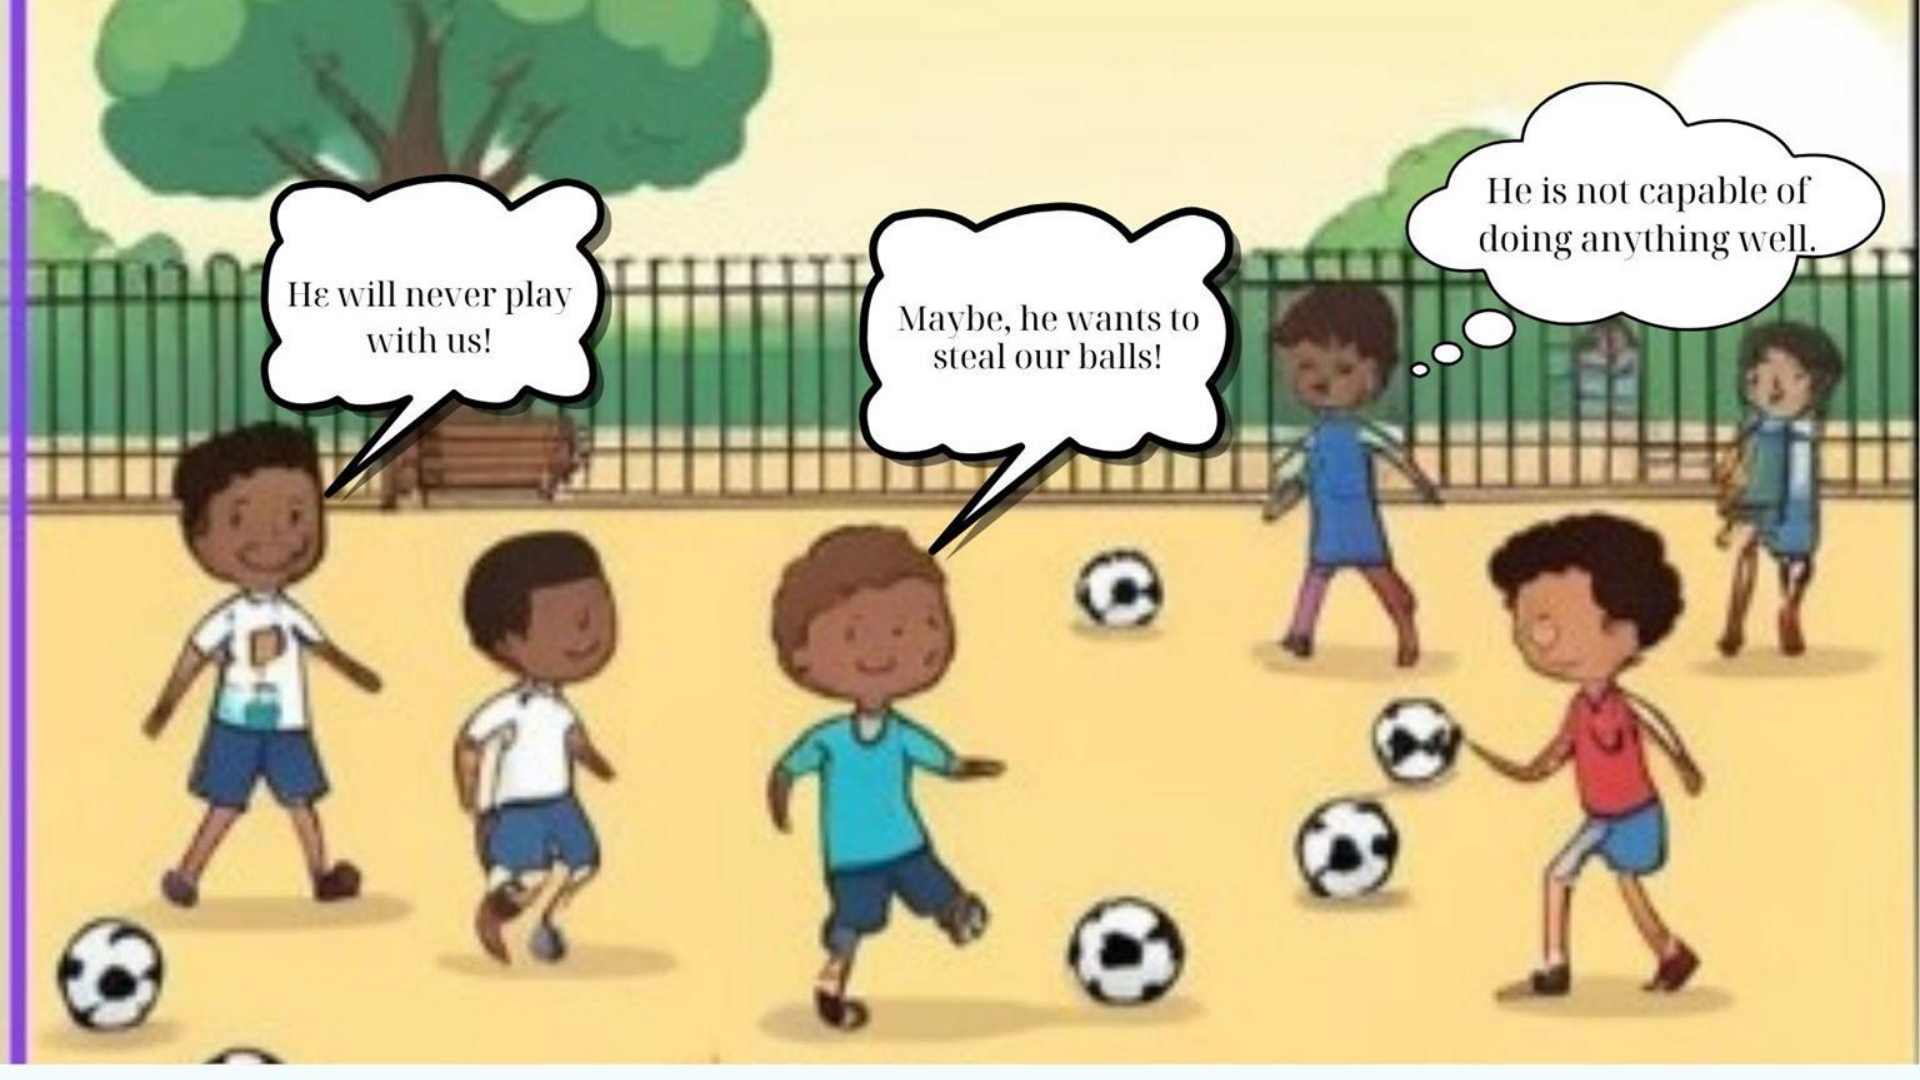

Look at his clothes...
so old! Maybe he
smells awful!!

Alex is Roma! He
lives in a tent.
He probably
doesn't even
know how to play!

I want to play football with my
schoolmates. Why don'th they
play with me?

He will never play
with us!

Maybe, he wants to
steal our balls!

He is not capable of
doing anything well.

Clothes don't make
the man!
Your hearts are out of tune!
Let's fix that with music!

Listen to the beautiful
music that Heartwing
plays with his guitar and
Alex with his accordion!

I think we were unfair
with Alex!

Alex, could you
teach us a
song?

Of course!!!!

Would you like to
play football with
us?

Music unites us... if
we listen with our
hearts!!!

The end
